

## 4<sup>th</sup> International Conference

# WELDING IN MARITIME ENGINEERING

**BOL/BRAČ- SPLIT – Croatia, 13<sup>th</sup> – 16<sup>th</sup> 05. 2009.**

### REGISTRATION FORM

I intend to submit a paper for the Conference  
(The abstract will be sent before 31<sup>st</sup> October, 2008)

Title:

---

---

---

Author(s):

---

---

I would like to receive further information on the Conference

I would like to receive information on the exhibition possibilities

I am interested in advertising in the Conference Proceedings

I am interested in commercial presentation

Name and surname (with academic degree)

---

---

Contact address (company name, tel., fax, e-mail)

---

---

## FIRST ANNOUNCEMENT & CALL FOR PAPERS

### CROATIAN WELDING SOCIETY

in association with

FACULTY OF MECHANICAL ENGINEERING AND NAVAL

ARCHITECTURE, ZAGREB,

SLV – MÜNCHEN, München

FACULTY OF MECHANICAL ENGINEERING, DUNAREA DE JOS

UNIVERSITY OF GALATI, Galati

ORGANISE

## 4<sup>th</sup> International Conference

# WELDING IN MARITIME ENGINEERING

### 38<sup>TH</sup> CWS CONFERENCE

**BOL/BRAČ – SPLIT, Croatia**

**13. – 16. 05. 2009.**

## 4<sup>th</sup> International Conference WELDING IN MARITIME ENGINEERING

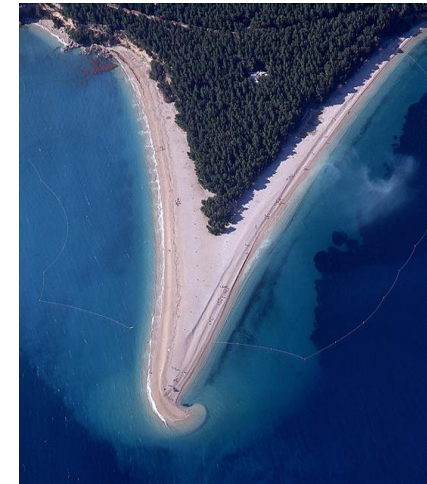

**BOL/BRAČ - SPLIT, Croatia  
13. – 16. 05. 2009.**

Main topics:

- Weldability of materials
- Consumables and filler materials for welding and allied processes
- Automation of welding
- Welding and allied processes
- Welding equipment
- Shipbuilding technology
- Underwater welding and other diving processes
- Underwater pipelines
- Calculation and design of joints in shipbuilding and off shore industry
- Personnel education
- Quality assurance of welded products
- Dry and underwater testing methods of welded structures
- Maritime, underwater and hyperbaric medicine
- Corrosion and surface protection in maritime engineering
- Wear and wear protection

The Conference will be of interest for:

- Engineers - welding experts
- Engineers - material experts
- Naval architecture engineers of all profiles
- Engineers experts for oil and gas
- Managers
- Manufacturers of equipment and filler materials
- QA/QC managers
- Welding inspectors
- Designers
- Researchers and scientists
- Experts in diving
- NDT experts
- Medical practitioners for maritime, underwater and hyperbaric medicine
- Experts for corrosion and surface protection in maritime engineering
- Operators of all profiles

### REGISTRATION OF PAPERS AND OTHER FORMS OF CO-OPERATION

Authors who wish to present their contributions are kindly asked to submit the title of the paper, abstract containing 200 to 300 words, names of co-authors and personal data including E-mail, phone and fax numbers before **31<sup>st</sup> October 2008** to CWS at the address below.

The Program committee will evaluate the received abstracts and make a selection of the contributions to be presented at the Conference. All the accepted papers will be printed in the Conference Proceedings and handed to the participants at the beginning of the Conference. Instructions for the preparation of papers will be mailed to the authors including the information on acceptance of the proposed paper. Contributions may be written in Croatian or English. The official languages at the Conference will be Croatian and English. Those who wish to participate at the Conference or give a commercial presentation at a session, or would like to advertise in the Proceedings or have interest in any other type of co-operation, are kindly asked to send the personal data including E-mail, phone and fax numbers to CWS at the address below, stating the type of co-operation required. We would appreciate receiving your reply as soon as possible (E-mail preferred), so that we could send you then further information and full program of the Conference.

### IMPORTANT DATES AND DEADLINES:

Registration of papers before **31<sup>st</sup> October 2008**

Information on the acceptance of the proposed paper before **28<sup>th</sup> November, 2008.**

Full manuscript submitted before **31<sup>st</sup> January 2009.**

Conference: **13<sup>th</sup> - 16<sup>th</sup> May 2009**
